

Leuchars Community Council

11/3/18

CLlr Bill Connor report to the CC

Tentsmuir Forest

It has been some time since we have updated you with developments at Tentsmuir Forest visitor car park. I have attached some documents showing the most recent development which is the planning of a new play area to be situated at the north end of the car park which we hope to deliver in the spring. We are also planning some additional trails to allow non-motorised visitors to pass round the car park area safely, an area of hard standing to further upgrade the food concession facility, and a further area of hard standing on which to develop a cycle hire concession. I would be happy to attend one of your local community council meetings to explain these developments and give you an opportunity to ask questions. Regards Robin Lofthouse Beat Forester (Fife, Angus and Lowland Perthshire) Tay District Inverpark Dunkeld PH8 0JR
