**Active Fife**

Active Fife run a number of sports coaching classes across North East Fife.

These classes focus on providing a fun opportunity for children to take part in weekly sports sessions promoting fundamental movement, social and teamwork skills.

Our coaches endeavour to make each session fun and inclusive. Although children learn the basic skills of sport, there is a huge focus on developing other skills and attributes such as communication, team work, resilience, determination and respect.

For sports such as netball and handball we bring together all classes at the end of each term to play in fun competitions. The cost of each session is £2.50 or £10 for a 5 week block.
