

Leuchars Community Council 5/6/18

Cllr Bill Connor report to the CC

Community Council Elections

Community Council Elections will take place on Thursday 4th October 2018

Police Report Leuchars

CALLS TO THE POLICE Since the last meeting, Police received 53 calls, from Leuchars/St Michaels which 2 were emergency 999 calls. This resulted in 5 crimes

We have been aware of vehicles double parking opposite the Spar shop on Main Street, Leuchars. Drivers have been spoken to and advice has been provided.

WHAT'S BEEN HAPPENING?

Operation Monarda has been taking place over the last 2 weeks. This involves Police Scotland working with Trading Standards trying to highlight bogus workman and scams that plague the community. Attached is a small information sheet. If anyone needs further advice they can contact your local community officers or trading standards.

LOCAL INITIATIVES

BIKEABILITY the P6 pupils at Leuchars Primary School have all passed level 1 of the course

The UNIPAR speed gun and POP up BOB have also been out and about: Drivers have been detected and reported to the PF in relation to speeding at St Michaels

COMMUNITY SPEEDWATCH If you want to become involved contact the team for information.

North Fife Cycling and Local Events

Volunteers wanted – Child and Family Cycling events

16 & 17 June Rotary Club Cupar are taking their cycling skills course to Balmullo Fete (16 June) and Cupar Highland Games (17 June). Their usual transport is unavailable They need a towing vehicle, a trailer that can carry lengths up to 16ft with weight total around 1 ton. Also additional volunteers to help during the day very welcome.

Please contact Donald Cameron donaldjcameron@btinternet.com if you can help

.Local Response Team

LRT. A squad for NEF is currently being recruited, a portable signwasher has been purchased and Transportation will be providing training on road side safety for instructors and trainees. The team is likely to be in a position to start cleaning road signs in the ward over the summer. I have been asked to contact you to get a list of the worst signage as a starting point for the crew. It would appear that Transportation have no database which provides details of the number and location of signposts so as part of this exercise the LRT will number and provide a map reference for each sign and will create a database. This will enable them to inspect signs and report back to Transportation on issues such as rusting, broken signs etc. There will be some criteria which will need to be followed for safety reasons as the LRT will not be able to close roads ie no major highways, signage on pathways on A roads

Temporary 20mph Speed Restriction
