

Picture is for information only and may not be the finished design.

The Community Council has secured funding for two commemorative benches to mark the centenary of the end of World War One. The design of the WW1 commemoration does not depict the First World War dates as the design is still relevant for the soldiers serving and fallen in today's world. These bespoke benches are being made by 2 Battalion Reme, based here at Leuchars, and we would like to know where people think they should be placed in the village. They can be placed together or in two separate locations and Fife Council, who have to be consulted on the location(s) we choose, have agreed to install them at no cost.

Please can you take a few minutes to complete the following:-

1. I would like to see both benches placed at/in
2. I would like to see one bench placed at/in
3. I would like to see the other bench placed at/in

Please feel free to answer any or all of the questions and return to one of the following locations:-

The HIVE, Leuchars Station Community Centre or 54 Main Street, Leuchars

If you prefer, you can e-mail your response(s) to: leucharscommunitycouncil@gmail.com
